

Dear AEMA Cadets,

In view of the 21 days' national lockdown (25 March 2020 to 14 April 2020) announced by PM Narendra Modi, **Anglo-Eastern Maritime Academy (AEMA)** shall remain closed till 16<sup>th</sup> April 2020.

All going well, we plan to resume regular academic session on 17<sup>th</sup> April 2020. Hence you may plan for reporting to Campus on 16<sup>th</sup> April 2020.

Needless to say, we are monitoring the COVID-19 pandemic status in the country and related Government advisories.

In case any further change, to the date of resumption of academic session becomes necessary, you will be advised by email.

Keep attending the Video lectures in the meantime with full sincerity as and when these are scheduled. **This is important as Lectures (topics) taken through video sessions won't be repeated when college resumes.**

Be safe and stay at home with your family.
